A comic panel set in a stone-walled room with a red carpet. A girl with long black hair, wearing a black dress and a white flower in her hair, is running towards the right. She has a wide, mischievous grin and is holding a small white cup. In the background, a boy in a black shirt and shorts is running away from her towards a large arched doorway that glows with orange light. A small black dog is running alongside the boy. Two speech bubbles are present: one from the girl and one from the boy.
